Hi Margot,
If this is still an issue, please let me know and I can have the graffiti removed asap. I just need to know the specific locations.

Thanks,
Nate

Thanks Margot.

I think you'll have to go through the City's Code Enforcement. You may be able to get some personal attention from Council Deputy Nate Kaplan at 310-568-8772 or at the above email. He's been great for us to work with.

Nate, Margot Zuzek is one of our business leaders in the Triangle area. Can you help her resolve the unsightly vandalism on 87th Street? Her telephone is 310-670-3258 or contact her at the email above. Thanks.

Which building(s) is it Margot?

Margot / Nate, let me know as I can assist in any way.

Don,

Line of questions seems good.

I have one for you: What can be done, if anything, and who do I contact to get the ball rolling, to force removal or camouflage of graffiti on storefront windows on 87th Street? I know it's an expensive vandalism issue when glass windows are "etched", but they are unsightly and do nothing to improve our district.

Margot

Would you take a minute and give me your thoughts on the attached draft questions? They would be directed to business & property owners. I'll have them formatted with a scale for the answers before final use. I'm just trying to settle on the content of the questions at this point. I'd like to get the survey out sometime during this week. Thanks.
